

Governors Towne Club – July 2026 Newsletter

A Message for Independence Day

As we gather this July to celebrate Independence Day, we also honor a remarkable milestone—the **250th anniversary of the United States of America.**

This anniversary is a powerful reminder of the enduring spirit of unity, resilience, and hope that has shaped our nation. It's a time to reflect on the freedoms we enjoy, appreciate the communities we've built together, and look ahead with pride and optimism for the future.

Here at Governors Towne Club, we are grateful for the sense of community that makes this neighborhood so special. Whether you're spending time with family, enjoying community events, or simply relaxing at home, we wish you a **safe, joyful, and meaningful Fourth of July.**

New HOA Website Launch

We are excited to announce the launch of our **new HOA website!**

Our goal with this platform is to provide a convenient, centralized place for residents to access important community information, stay up to date on news and events, and find helpful resources.

👉 **Visit here:** <https://gtchoa.net/>

On the website, you'll be able to:

- Access governing documents and community guidelines
- Find contact information and important resources
- Stay informed on community updates
- And much more

We encourage all homeowners to bookmark the site and check back regularly for updates.

If you have any questions or feedback about the new website, please don't hesitate to reach out.

Community Projects – July Updates

We're continuing to enhance and maintain our beautiful community with several projects this month:

- Sidewalk repairs will continue throughout July
- Back gates on Carl Sanders will be sanded and painted
- Fresh mulch will be installed at the playground
- Fresh pine straw will be installed throughout the community

Thank you for your patience and cooperation as we complete these improvements!
